Dear Resident

Re: Sidney Road and Percy Road, Woodford Halse – Carriageway Patching and Gully Remedials

We write to inform you that Northamptonshire Highways is planning to carry out patching of the carriageway at Sidney Road between No 4 and No 44 and carriageway drainage works between No 2 and No 8 on Percy Road. To undertake these works safely we need to close both Sidney Road and Percy Road. Appropriate diversion signage will be in place.

These works are programmed to start (weather dependant):-
- 6th February – Sidney Road for 5 days
- 13th February - Percy Road for 3 days

Working times are 08:00 and 17:00. Weekdays only.

When programming works we consider the impact on all road users and plan our works to minimise disruption. We hope these road closure(s) can be tolerated in order for us to carry out the works in a timely manner. The road closures are required to ensure the safety of our workforce and all road-users.

Parked cars are an issue for us and parking will not be possible within the closure. We ask for your co-operation to allow the works to be completed efficiently by parking in adjacent streets. We cannot complete our works if cars are parked on the road.

Information signs confirming dates and times will be in place at least 10 days in advance of us starting our work. Pedestrian access will be maintained at all times.

We thank you in advance for your understanding and cooperation. If you require any further information please contact me on 01604 883400.
Yours faithfully,

Mark Greenaway  
Construction Manager  
For and on behalf of Northamptonshire Highways
